- Whereas,** Congress of the United States of America has designated the week of May 10th through the 16th as National Police Week; and
- Whereas,** It is important that all citizens know and understand the duties, responsibilities, hazards, and sacrifices of their law enforcement agencies, and that members of our law enforcement agencies recognize their duty to serve the people by safeguarding life and property, by protecting them against violence and disorder, and by protecting the innocent against deception and the weak against oppression; and

Now, Therefore, Be It Resolved, that the Josephine County Board of Commissioners, hereby proclaims the week of May 10-16, 2026 as **NATIONAL POLICE WEEK** in Josephine County to join in commemorating law enforcement officers, past and present, who, by their faithful and loyal devotion to their responsibilities, have rendered a dedicated service to their communities and, in so doing, have established for themselves an enviable and enduring reputation for preserving the rights and security of all citizens. We call upon all citizens to honor those law enforcement officers, who, through their courageous deeds, have made the ultimate sacrifice in service to their community or have become disabled in the performance of duty, and let us recognize and pay respect to the survivors of our fallen heroes.

1. CALL TO ORDER

The Rural Planning Commission (RPC) met in regular session on Monday, April 6, 2026. The session was called to order by Commissioner Jones at 6:00 p.m. A quorum was declared.

Members Present: Mark Jones, Ron Wright, Ward Ockenden, Jeff Mundell, Amanda Metzler, Wayne Lemler, and Tim Navarro.

Staff Present: Planning Manager, James Black, Senior Planner, Tami Smith, and Recording Secretary, Terri Woodruff

2. APPROVAL OF AGENDA

By consensus.

3. PUBLIC LAND USE LEGISLATIVE HEARING

Chair Jones stated the hearing would be conducted in accordance with the Josephine County Land Use Hearing Rules. He explained the rules for the hearing. There were no questions or discussions.

A request for approval of 16-lot subdivision to be known as "Pioneer Meadows Subdivision". This request will create 16 lots for residential development ranging in size from approximately 4.14 acres to 6.78 acres. Access will be provided for Lots 1 – 4 off Timber Ln., and Lots 5 – 16 off Big Pine Dr. and S Schoolhouse Creek Rd. The subject properties are located at S School House Creek Rd., and Timber Ln (no situs address). Map No. 35-06-11-00 TL 1900, 35-06-14 TL 500 & 300 and is zoned Rural Residential (RR-5).

Chair Jones asked if there was anyone from the audience who objected to the jurisdiction of the Commission to hear the matter. There was no opposition.

Staff Report: Exhibit 1 – 73 pages

Tami Smith, Senior Planner, shared Power Point with the RPC and recommends approval of Pioneer Meadow Subdivision.

Proponents:

Justin Gerlitz, Gerlitz Engineering, shared his Power Point with the RPC.

Commissioner Metzler: Do wetland and streams dry out in summer.

Justin Gerlitz: yes, primarily seasonal.

Vice Chair Mundell: Are the CCR's going to have mechanism to keep roads in good condition and for fire safety.

Justin Gerlitz: There will be a private road maintenance agreement for the three lots sharing the driveway. The other roads will be public and publicly maintained.

Commissioner Wright: Put in the CCR's about the airport overlay.

Neil Burgess: Discrepancy on Timber Lane, that Timber Lane to be built to Rural Residential Road standards and not Limited Residential Road. That becomes a telescoping road. Will need to change Public Works conditions to allow for a Limited Residential.

Commissioner Wright: What is the potential to create more lots and possibility of future development past Timber Lane.

Neil Burgess: None and PW conditions will need be amended from Rural Residential to Limited Residential.

Vice Chair Mundell: What is the length of road.

Neil Burgess: 440 feet.

Vice Chair Mundell: Is there direct impact on any of the lots that its going through.

Neil Burgess: No safety issues that I can see.

Justin Gerlitz: I thought conditions from public Works stated a Limited Residential Rural Road. Can go up to 20 houses with steep slopes.

Commissioner Ockenden: Is it OK to amend road from Residential to Limited Residential?

Neil Burgess: Going to count all lots from Monument Dr. Also, would need to change Public Works condition.

Vice Chair Mundell: How long is the road from Monument Dr.? In the scope what percentage of the project will affect other properties?

Melissa Morgan: clarification on how much more traffic and curious about a gate and does road go all the way through and going to have traffic from both sides.

Chair Jones: Traffic from Big Pine to S School house Rd. only and not Timber Ln.

Metzler: Amend the road conditions from Public Works Residential to Limited Residential Rural Road.

Chair Jones **CLOSED THE RECORD.**

Chair Jones called for a deliberation and discussion
