The board declared there are no potential conflicts of interest.

2. Department Business

a. Property Management

1. Monthly Update re: Relocation of County Departments

Helene Lulich, County Property Manager, provided an update regarding the pending sale of the DEMIC properties and ongoing efforts to identify suitable locations for County departments currently occupying affected facilities. Ms. Lulich reported that the due diligence period is expected to conclude on July 22, 2026, with closing anticipated on or before August 21, 2026. Leaseback provisions remain in place for Public Health and Planning facilities following the transaction.

Ms. Lulich and Facilities Director Ryan Johnson reported that several County-owned properties continue to be evaluated as potential relocation sites. Discussion focused on the N Street property, facility improvement needs, warehouse space availability, and potential use of modular office structures if alternate facilities cannot be secured. Commissioners discussed ongoing efforts to locate suitable office space for Public Health and other affected departments and acknowledged that additional evaluation would continue prior to any final relocation decisions. No formal action was taken.

b. Sheriff

1. Intergovernmental County - City Lease Agreement for Sheriff's Office Sub-Station Amendment No. 12

Dave Daniel, County Sheriff, presented a renewal agreement with the City of Cave Junction for continued use of the Sheriff's Office substation facility located within the Cave Junction City Hall building. Sheriff Daniel explained that the facility has been utilized by the Sheriff's Office for many years as a substation, report writing location, and temporary holding facility serving the Illinois Valley. Discussion occurred regarding the history of the facility, operational needs, and continued use of the location to support law enforcement services in the area.

c. Human Resources**1. Position Requisitions**

- a. Prevention and Treatment Services – School Outreach Officer – Refill Vacated position. Vacated 5/22/2026

Michelle Shaw, Human Resources, presented a request to fill a vacant Prevention and Treatment Services School Outreach Officer position within Community Justice. Community Justice Director Scott Hyde explained that School Outreach Officers are embedded within local schools and provide prevention education, youth programming, and community outreach services. Hyde discussed the success of the program, statewide interest in the County's model, and the position's role supporting both school-based services and youth programs during summer months. The Board expressed support for filling the position. No objection was raised to proceeding with recruitment.

2. Personnel Actions

- a. Corrections – Parole/Probation Officer Advanced – New Hire - PR 26-016 approved 2/26/2026

Michelle Shaw, Human Resources, presented a request to hire a certified Parole and Probation Officer. Hyde reported that the candidate currently serves in Coos County and possesses extensive law enforcement and community corrections experience, including advanced certifications and more than a decade of parole and probation service. Hyde described the candidate as highly qualified and noted the rarity of recruiting an experienced certified officer directly from another jurisdiction. No objection was raised to proceeding with the hire.

- b. Corrections – Parole/Probation Officer Basic – Transfer - PR 26-016 approved 2/26/2026

Michelle Shaw, Human Resources, presented a request involving an interdepartmental transfer from the Sheriff's Office into a Parole and Probation Officer position. Hyde explained that the employee brings significant law enforcement experience and would provide substantial value to Community Justice operations despite not previously serving in a parole and probation role. Discussion occurred regarding county policy requirements governing transfer compensation and the benefits of recruiting experienced employees from within County government. No objection was raised to proceeding with the transfer.

- c. District Attorney – Department Specialist – New Hire - PR 26-051 approved 4/28/2026

Michelle Shaw, Human Resources, presented a request to fill a vacant Department Specialist position within the District Attorney's Office. Staff explained that the position serves as the primary front desk contact for the office and is responsible for reception duties, phone coverage, public assistance, discovery processing, scheduling support, and related administrative functions. Discussion occurred regarding the importance of maintaining front desk coverage and reducing interruptions to other staff members. No objection was raised to proceeding with recruitment.

- d. Transit – Transit Operator – Change FTE due to Layoff

Michelle Shaw, Human Resources Director, informed the Board that a Transit Department position would be reduced from full-time to part-time status, resulting in a reduction from 1.0 FTE to 0.5 FTE. The adjustment was presented for informational purposes only.

3. BOARD BUSINESS**4. OTHER****5. ADDITIONAL SUBJECT MATTERS FROM COMMISSIONERS/ANNOUNCEMENTS:**

Commissioner Martin revisited discussion regarding Resolution No. 2026-009, a resolution affirming tobacco retail enforcement as the primary strategy to prevent youth access to tobacco and nicotine products while protecting adult consumer choice. Martin reviewed previous discussions regarding the resolution and reported that Legal Counsel had determined adoption of the resolution would not affect County grant funding. Martin also referenced support received from the Oregon Neighborhood Store Association and discussed her interest in supporting adult consumer choice and local retail businesses while maintaining protections preventing youth access to tobacco products.

Commissioners discussed state regulation of tobacco products, age restrictions, local business impacts, and broader public policy considerations. Commissioner Richardson commented on perceived inconsistencies in state policies relating to age restrictions and personal decision-making. Chair Smith expressed support for allowing adults access to legal products while recognizing the distinction between adult and youth access.

Legal Counsel advised that the resolution had previously been assigned Resolution No. 2026-009. Commissioner Martin disclosed a potential conflict based upon work performed with United Strategies on unrelated matters and indicated she

would abstain from voting. *Commissioner Richardson moved to approve Resolution No. 2026-009, affirming tobacco retail enforcement as the primary strategy to prevent youth access to tobacco and nicotine products and to protect adult consumer choice. Commissioner Smith seconded the motion. Upon roll call; Commissioner Richardson – yes, Commissioner Martin – Abstained, Commissioner Smith – yes. Motion carried 2-0.*

Commissioner Richardson announced a community bicycle event commemorating the anniversary of Oregon's Bicycle Bill and encouraged public participation. Chair Smith reminded those present that the following day's Board meeting would be conducted as an evening meeting beginning at 5:30 p.m.

The meeting adjourned at 2:04 p.m.
