

**BEFORE THE BOARD OF COUNTY COMMISSIONERS FOR JOSEPHINE COUNTY
STATE OF OREGON**

In the Matter of Authorizing Legalization)
of a Portion of Caves Camp Road County)
Road No. 4120)
Order No. 2026-038

WHEREAS, Caves Camp Road was accepted as a county road by the Josephine County Commissioners on January 8, 1891 and the physical road location as traveled through the years no longer follows the road location as described in 1891; and

WHEREAS, on March 11, 2026, consistent with ORS 368.201 to ORS 368.221, the Board of Commissioners, by Order No. 2026-007, initiated proceedings for legalizing a portion of Caves Camp Road in its as traveled location and directed the County Engineer to provide a survey to determine the location of the road and the width of the road in compliance with ORS 368.206(1)(a); and

WHEREAS, as required under ORS 368.206(1), the County Engineer has prepared a written report to the Board of Commissioners that includes the survey and includes a recommendation for proceeding with the legalization; and

WHEREAS, on May 12, 2026, the Board of Commissioners, by Order No. 2026-026, scheduled a public hearing for June 24, 2026 to consider legalization of a portion of Caves Camp Road County Road No. 4120; and

WHEREAS, the County Engineer provided notice of the hearing as provided under ORS 368.401-369.426 by service to owners of abutting land and by posting. No objections to the proposal have been filed with the County Engineer and no claims for compensation under ORS 368.211 relating to any encroaching structures on this portion of Caves Camp Road have been filed with the Board; and

WHEREAS, following due and proper notice pursuant to ORS 368.401 - 369.426, the Board of Commissioners heard this matter at a public hearing on **June 24, 2026**, and after considering all matters presented in the proceedings has determined that completion of the legalization of the road is in the public interest; now therefore

The Josephine County Board of Commissioners hereby orders:

1. The portion of Caves Camp Road County Road No. 4120 beginning at Engineer's center line Station 18+35.69 P.C., said station being South 68°58'49" East 1,422.55 feet of the Northwest corner of Section 8, Township 39 South, Range 5 West,

Willamette Meridian, Josephine County, Oregon and continuing to Engineer's center line Station 27+55.46 P.T., said station being South 43°39'04" East 1,933.34 feet of the Northwest corner of Section 8, Township 39 South, Range 5 West, Willamette Meridian, as more particularly described in the attached Legal Description, Exhibit "A," and as depicted in the Legalization Exhibit Map, "Exhibit B," is legalized and exists as described in this Order.

2. This Order shall be recorded in the Josephine County Deed Records, pursuant to ORS 368.106.
3. This Survey attached hereto as Exhibit "A" and Exhibit "B" shall be recorded in the Office of the County Surveyor as provided under ORS 368.216(2) and ORS 368.106.
4. Any records showing the location of the portion of Caves Camp Road County Road 4120 described herein that conflict with the location of the road as described in this Order are void.
5. Courts shall receive this Order as conclusive proof that the portion of Caves Camp Road County Road 4120 exists as described in this Order.

MEMORANDUM

TO: Board of Commissioners
CC: Arthur O'Hare, Budget Officer
FROM: Wally Hicks, County Legal Counsel WH
DATE: June 9, 2026
RE: Request for addition of Law Library Assistant position

Josephine County has not had any dedicated law library staff since the law librarian retired in 2022. Since that time, Legal Counsel staff have been manning the law library as needed, as well as performing administrative tasks such as managing the collection, ordering books and other supplies, managing the budget and processing invoices for payment.

In FY 2023-24, Legal Counsel had two full-time paralegals and two legal secretaries, all of which were funded by ISF. Both legal secretary positions have since been vacated and not refilled, and one paralegal has reduced her hours to part time. We now have one full-time paralegal and one part-time paralegal, and no legal secretaries. In addition to assisting patrons in the law library, the paralegals are also performing legal secretary and other administrative duties to keep the Legal department operating smoothly.

When a paralegal is pulled into to the law library to assist a patron, they are being pulled away from other critical tasks within the Legal department. When there is no paralegal available to assist in the law library due to absences or the prioritization of other work, it is sometimes necessary to close the Law Library for several hours or days at a time. Adding a dedicated staff member would allow us to consistently keep the law library open during the posted hours, and would allow the paralegals to stay focused on their other duties.

Oregon law (ORS 9.815) requires each county to operate a free law library at a location that is convenient and available at reasonable hours. Law library funding received from the State can *only* be used for law library costs, such as books, subscriptions, and staff. This does not affect the general fund or ISF in any way.

We are requesting the addition of a .5 FTE Law Library Assistant at a total cost of \$44,000.

RE: Request for Reconsideration — Help Desk / Support Technician (1 FTE)

Purpose

The purpose of this memo is to formally request reconsideration of the FY 2026-27 budget decision to deny the Information Technology Department's staffing request for one full-time Help Desk / Support Technician. This position is not a new addition to the department — it is the restoration of a role that was filled until approximately one year ago and is essential to the reliable and secure operation of County technology infrastructure.

Background

The IT Department supports every County function, from the Sheriff's Office and jail booking to emergency dispatch, the District Attorney, Courts, and all administrative departments. We currently support approximately 570 active users and 615 managed computers across the organization.

The Help Desk / Support Technician position became vacant approximately one year ago through normal attrition. It has not been backfilled. The team has continued operating at full demand with reduced capacity, and the impact is measurable.

It should also be noted that this position appears on the formal budget request under the title "Development Analyst," while it was presented to the committee as "Help Desk / Support Technician," which reflects its operational role. We acknowledge that this discrepancy may have caused confusion during the budget review and regret any lack of clarity.

The Data

FY 2025-26 help desk activity demonstrates the impact of the vacancy clearly:

Metric	FY 25-26 Data
Tickets Opened (FY 25-26)	1,045
Tickets Closed (FY 25-26)	929
Net Backlog	116

A closure rate of 89% against a target of 95% means 116 tickets remained unresolved at year end. This is not a performance issue — it is a capacity issue. The team is working at or above sustainable capacity, and work is being deferred as a result.

Why This Position Is Critical

The consequences of this vacancy extend beyond ticket response times. When senior technicians are consumed by routine help desk requests, the more consequential work — the work that protects County operations from failure and cyberattack — gets deferred.

Specifically, this position would:

- Free senior staff to close the patch compliance gap. We are currently at 82% patch compliance against a 95% target. Unpatched systems are among the most common vectors for ransomware and cyberattacks against local governments.
- Restore capacity for backup and recovery maintenance. Tested, current recovery procedures are what allow the County to resume operations following a system failure or security incident. This work is being deferred.
- Improve infrastructure lifecycle management. Planned, scheduled replacement of servers, network equipment, and endpoints prevents the larger, costlier failures that result from deferred maintenance.
- Directly support public safety continuity. The Sheriff's Office, jail, dispatch, and DA all depend on systems IT maintains. A ransomware attack or infrastructure failure affecting these systems is not a hypothetical — it has happened to counties similar to ours.

Financial Summary

The fully-loaded cost of this position — salary, benefits, and associated costs — is \$124,600 annually. This figure was presented to the committee during the FY 2026-27 budget presentations.

We believe this represents the highest-leverage investment available to the IT Department this budget cycle. The cost of a preventable infrastructure failure, security incident, or sustained service degradation significantly exceeds the cost of the position itself.

Request

We respectfully request that the Budget Committee reconsider and approve the funding for one full-time Help Desk / Support Technician at a fully-loaded cost of \$124,600 for FY 2026-27.

I am available to appear before the committee, provide additional documentation, or answer any questions that would assist in your deliberations. Please do not hesitate to contact me directly.

BEFORE THE BOARD OF COMMISSIONERS FOR JOSEPHINE COUNTY
STATE OF OREGON

In the Matter of Adopting a Supplemental Budget and Making Appropriations and Budget Adjustments for the Fiscal Year 2025-26

Resolution No. 2026-026

WHEREAS, Josephine County is required to supplement the budget for the 2025-26 fiscal year in order to recognize both additional revenues and expenditures, and

WHEREAS, pursuant to ORS 294.471 (3), following due and proper notice, the Board of County Commissioners may adopt a supplemental budget at a regular meeting, and

WHEREAS, the Board of County Commissioners adopted a budget for the fiscal year 2025-26 on June 18, 2025, and

WHEREAS, conditions have changed since the adoption of the 2025-26 fiscal year budget, and

WHEREAS, the Board of County Commissioners as the governing body of Josephine County may, in accordance with Oregon Revised Statute 294.463 (1), (2), and (3), approve a transfer of an existing appropriation, and

WHEREAS, the Board of County Commissioners as the governing body of Josephine County may, in accordance with Oregon Revised Statute 294.338 (3), appropriate by resolution, unanticipated revenues and expenditures, and

WHEREAS, the Board of County Commissioners as the governing body of Josephine County may, in accordance with Oregon Revised Statute 294.456 (6), adjust budgeted resources and reduce expenditures to reflect a decrease in resources,

NOW, THEREFORE, BE IT HEREBY RESOLVED that the Josephine County Board of County Commissioners hereby adopts the supplemental budget summarized below and makes the appropriations shown in the summary; and that the Finance Director is authorized to make the budget adjustments to the 2025-26 budget as summarized below.
