Item 2a1

DAN RAYFIELD
Attorney General

BENJAMIN GUTMAN
Deputy Attorney General

DEPARTMENT OF JUSTICE

Crime Victim and Survivor Services Division

2025-2026 VOCA AND CFA NON-COMPETITIVE GRANT AWARD COVER SHEET
Amendment No. 1

1. Applicant Agency's Name and Address: Josephine County, acting by and through its District Attorney's Office 500 NW 6th Street Grants Pass, OR 97526-2037 Contact Name: Sally Potter Telephone: 541-474-5200 E-mail: spotter@josephinecounty.gov	**2. Special Conditions:** This grant project is approved subject to such conditions or limitations as set forth in the included grant conditions and the original Grant Agreement. **3. Statutory Authority for Grant:** **VOCA:** Federal Victims of Crime Act of 1984, as amended, 42 U.S.C. 1061 ET SEQ and ORS 147.231 (1) **CFA**: ORS 147.227 and OAR 137-078-0000
4. Award Number: VOCA/CFA-2025-JosephineCo.DAVAP-00002	**5. Award Date:** October 1, 2025
6. Subrecipient Tax Identification Number: 93-6002300	**7. UEI Number:** MCM8TATKED47
8. Type of Party Receiving Funds: ☒ Subrecipient ☐ Contractor	**9. Project Period:** October 1, 2025 – September 30, 2027
10. VOCA Category: General Victim Services	**11. Total VOCA Grant Award Amount / Match Amount Required**: $325,156.00/ $0.00 Assistance Listing 16-575 **Match Waiver Approved For:** $ 81,289.00
12. Federal VOCA Award #s 15POVC-23-GG-00410-ASSI: $ 0.00 15POVC-24-GG-00716-ASSI: $ 65,031.20 15POVC-25-GG-00353-ASSI: $162,578.00 15POVC-26-GG-00240-ASSI: $ 97,546.80	
13. Indirect Cost Rate: N/A	**14. Total CFA Grant Award Amount:** **CFA Allocation:** $114,508.00 **Carry Over:** $ 7,697.41 **Total CFA Award:** $122,205.41
15. VOCA Annual Narrative Report Due Dates: October 31, 2026 October 31, 2027	**16. Total Federal Award Amount:** $325,156.00
17. VOCA Semi-Annual Narrative Report Due Dates: April 30, 2026 October 31, 2026 April 30, 2027 October 31, 2027	**18. VOCA and CFA Financial Reports, Common Outcome Measures Report, VOCA PMT Report, and CFA Statistical Report Due Dates:** January 31, 2026 January 31, 2027 April 30, 2026 April 30, 2027 July 20, 2026 July 20, 2027 October 31, 2026 October 31, 2027

This award is contingent upon the Subrecipient agreeing to the terms of award for the grant entitled "2025-2026 VOCA/CFA Non-Competitive Grant Request for Applications for Awards". The grant agreement document must be signed by an authorized official in order to validate the acceptance of this award.

Based on this award amendment, including budgets for Year 2 VOCA and CFA funds as required, our program accepts the revised allocation amounts, to include carryover from the 2023-2025 CFA award as follows:

VOCA:	$325,156.00
CFA:	$122,205.41

These additional funds will be disbursed as follows after CVSSD approves the VOCA/CFA Application amendment and the application is placed back in Grant Awarded status in EGrants:

VOCA	Quarterly reimbursement for eligible expenses for the Year 2 period of October 1, 2026 to September 30, 2027.
CFA	Prospective quarterly payments beginning on or after October 1, 2026 for the Year 2 period of October 1, 2026 to September 30, 2027.

SUPPLEMENTAL CONDITIONS:

Reserved

We accept the additional VOCA 2026 Special Conditions included in Exhibit A.

Terms and Conditions of the Amendment Request:

- If accepted by the Department of Justice, Crime Victim and Survivor Services Division, my agency's original agreement, as perhaps previously amended, with the Department of Justice, Crime Victim and Survivor Services Division will be amended to include the above terms.
- Except as requested hereby, all terms and conditions of my agency's original agreement with the Department of Justice, Crime Victim and Survivor Services Division will remain in full force and effect.
- I represent and warrant to the Department of Justice that I am duly authorized to execute this request and to legally amend my agency's agreement with the Department of Justice, Crime Victim and Survivor Services Division.
- I represent and warrant to the Department of Justice that the representations and warranties contained in my agency's original agreement are true and correct.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the dates set forth below their respective signatures.

EXHIBIT A

2026 VICTIMS OF CRIME ACT SPECIAL CONDITIONS

1. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2026)

The subrecipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions that may be set out in applicable appropriations acts are indicated at Award Condition: General Appropriations-Law Restrictions on Use of Federal Award Funds (FY 2026) | Office of Justice Programs and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of DOJ CVSSD.

2. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The subrecipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the subrecipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)) and are incorporated by reference here.

3. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The subrecipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38.

Among other things, 28 C.F.R. Part 38 states that recipients may not use direct Federal financial assistance from the Department of Justice to support or engage in any explicitly religious activities except when consistent with the Establishment Clause of the First Amendment to the U.S. Constitution and any other applicable requirements. An organization receiving Federal financial assistance also may not, in providing services funded by the Department of Justice or in outreach activities related to such services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to subrecipient organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to subrecipients that are faith-based or religious organizations. In addition, Part 38 states that a faith-based organization that participates in a Department of Justice funded program retains its independence from the Government and may continue to carry out its mission consistent with religious freedom and conscience protections in Federal law.

Subrecipients that provide social services under this award must give written notice to beneficiaries and prospective beneficiaries prior to the provision of services (if practicable) which shall include language substantially similar to the language in 28 CFR Part 38, Appendix C, sections (1) through (4). A sample written notice may be found at https://www.ojp.gov/program/civil-rights-office/partnerships-faith-based-and-other-neighborhood-organizations.

In certain instances, a faith-based or religious organization may be able to take religion into account when

making hiring decisions, provided it satisfies certain requirements. For more information, see "Nondiscrimination provisions and the Religious Freedom Restoration Act," accessible at https://www.ojp.gov/funding/explore/legaloverview2025/civilrightsrequirements.

4. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that a legal notice regarding award requirements is necessary or that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such notice or exception regarding enforcement, including any such notice or exception made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqts.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized subrecipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in DOJ CVSSD taking appropriate action with respect to the subrecipient and the award. Among other things, DOJ CVSSD may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

5. Effect of failure to address audit issues

The subrecipient understands and agrees that DOJ CVSSD may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

6. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") including, without limitation, the provisions regarding termination of 2 C.F.R. 200.340, apply to this award from OJP.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at https://ojp.gov/funding/Part200UniformRequirements.htm.

Record retention and access: Records pertinent to the award that the subrecipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the subrecipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.334.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the subrecipient is to contact OJP promptly for clarification.

7. Reporting potential fraud, waste, and abuse, and similar misconduct

The subrecipient, and any subrecipients ("subgrantees") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at https://oig.justice.gov/hotline/contact-grants.htm (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Fraud Detection Office, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at https://oig.justice.gov/hotline.

8. Requirements related to "de minimis" indirect cost rate

A subrecipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

9. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The subrecipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

10. Requirement for data on performance and effectiveness under the award

The subrecipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to DOJ and DOJ CVSSD in the manner (including within the timeframes) specified in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

11. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at https://ojp.gov/financialguide/DOJ/index.htm), including any updated version that may be posted during the period of performance. The subrecipient agrees to comply with the DOJ Grants Financial Guide.

12. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The subrecipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including 28 C.F.R. § 42.106(d), 28 C.F.R. § 42.405(c), and 28 C.F.R. § 42.505(f) which contain certain notice requirements that covered subrecipient must follow regarding the dissemination of information regarding federal nondiscrimination requirements.

13. Determination of suitability to interact with participating minors

SCOPE. This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ CVSSD)(or in the application for any subaward, at any tier), the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award (whether by the subrecipient, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The subrecipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at https://ojp.gov/funding/Explore/Interact-Minors.htm (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

14. Requirement to disclose whether subrecipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the subrecipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the subrecipient’s past performance, or other programmatic or financial concerns with the subrecipient. The subrecipient’s disclosure must include the following: 1. The federal awarding agency that currently designates the subrecipient high risk, 2. The date the subrecipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

15. Employment eligibility verification for hiring under the award

1. The subrecipient (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the subrecipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1).

B. Notify all persons associated with the subrecipient (or any subrecipient) who are or will be involved in activities under this award of both--

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring
The subrecipient’s monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs
To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. Staff involved in the hiring process
For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all subrecipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify
For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the subrecipient (or any subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require any subrecipient, any subrecipient at any tier, or
any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination

law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any subrecipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (https://www.e-verify.gov/) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E- VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

16. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

17. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

18. Restrictions and certifications regarding non-disclosure agreements and related matters

No subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the subrecipient --

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the subrecipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the subrecipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

19. OJP Training Guiding Principles

Any training or training materials that any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at https://www.ojp.gov/funding/implement/training-guiding-principles-grantees-and-subgrantees.

20. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold.

The subrecipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold, as set forth in the Federal Acquisition Regulations (FAR). See the definition of simplified acquisition threshold in the FAR at 48 CFR part 2, subpart 2.1. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would Simplified Acquisition Threshold)), and are incorporated by reference here.

21. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must

determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the subrecipient must promptly notify DOJ CVSSD in writing of the potential duplication, and, if so requested by DOJ CVSSD, must seek a budget-modification or change-of-project-scope Grant Award Modification (GAM) to eliminate any inappropriate duplication of funding.

22. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The subrecipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The subrecipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the subrecipient is to contact DOJ CVSSD for guidance.

23. Potential imposition of additional requirements

The subrecipient agrees to comply with any additional requirements that may be imposed by DOJ CVSSD during the period of performance for this award, if the subrecipient is designated as "high- risk" for purposes of the DOJ high-risk grantee list.

24. Requirement to report actual or imminent breach of personally identifiable information (PII)

The subrecipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "Personally Identifiable Information (PII)" (2 CFR 200.1) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The subrecipient's breach procedures must include a requirement to report actual or imminent breach of PII to DOJ CVSSD no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

25. Requirements related to System for Award Management and Universal Identifier Requirements

The subrecipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at https://www.sam.gov/. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The subrecipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first- tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the subrecipient) the unique entity identifier required for SAM registration.

The details of the subrecipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at https://ojp.gov/funding/Explore/SAM.htm (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

26. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the subrecipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the subrecipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a or subrecipient would or might fall within the scope of these prohibitions, the subrecipient is to contact DOJ CVSSD for guidance, and may not proceed without the express prior written approval of DOJ CVSSD.

27. All subawards ("subgrants") must have specific federal authorization

The subrecipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at https://ojp.gov/ funding/Explore/SubawardAuthorization.htm (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

28. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination – 28 C.F.R. Part 54

The subrecipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

Among other items, 28 C.F.R. § 54.140 contains notice requirements that covered subrecipient must follow regarding the dissemination of information regarding federal nondiscrimination requirements.

29. Discrimination Findings

The subrecipient assures that in the event that a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the ground of race, religion, national origin, sex, or disability against a subrecipient of victim assistance formula funds under this award, the subrecipient will forward a copy of the findings to DOJ CVSSD and the Office for Civil Rights of OJP.

30. The subrecipient agrees that it will submit (and as necessary, require subgrantees to submit) quarterly financial reports and quarterly performance reports on the performance metrics identified by CVSSD, and in the manner required by CVSSD. This information on the activities supported by the award funding will assist in assessing the effects that VOCA Victim Assistance funds have had on services to crime victims within the jurisdiction

31. Subrecipient integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

The subrecipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, subrecipient of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of subrecipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at https://ojp.gov/funding/FAPIIS.htm (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

32. The Subrecipient agrees that any product (e.g., curricula, training materials, publications, reports, videos, or any other written, web-based, audio-visual, or other materials), developed under this award, shall contain the following statement: “This product was supported by VOCA Formula funds awarded by the Office for Victims of Crime, Office of Justice Programs, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication are those of the contributors and do not necessarily represent the official position or policies of the U.S. Department of Justice.

33. The Subrecipient understands and agrees that it has a responsibility to monitor its subrecipients' (“subgrantees”) compliance with applicable federal civil rights laws.

Certification: I certify that I have read and reviewed the above assurances and links to referenced Award Conditions and certify that the subrecipient will comply with all provisions of the Victims of Crime Act of 1984 (VOCA), as amended, and all other applicable Federal laws.

Dear NACo Member,

Thank you for your 2026 membership with the National Association of Counties (NACo). We are grateful for your partnership and investment in *your* association in Washington, D.C.

Now is the time to renew your NACo membership for 2027.

As a county leader like you, I know firsthand how counties like yours are navigating complex challenges – from infrastructure demands and housing affordability, to developing local workforce solutions, to new unfunded state and federal mandates or preemption. Now more than ever, we need your voice as NACo continues to advocate for counties' role as intergovernmental partners.

We hope your county will take advantage of the full value of NACo membership in 2027:

Advocacy: NACo represents counties in federal policymaking. Through a member-driven policy process shaped by county leaders across NACo's 10 policy steering committees, NACo advances county priorities in Washington, D.C. With your continued engagement, NACo helps strengthen the county voice and secure federal policy outcomes that support local decision-making:

- In the recent passage of the **21st Century ROAD to Housing Act**, NACo secured several key amendments that reduce local financial risk and preserve county flexibility
- In other 2026 legislation, NACo pushed forward a new requirement for **FEMA to publish a public dashboard tracking disaster reimbursement**, bringing greater transparency to a process counties have long sought to improve
- After weighing NACo and counties' input, the **Department of Justice issued a one-year extension of the deadline for web accessibility upgrades**, saving counties hundreds of thousands of dollars and allowing additional time for local governments to meet these requirements in a fiscally responsible way
- As national conversations expand on land use, energy consumption and property taxes, **NACo is your voice in Washington, D.C., fighting unfunded mandates and pushing back on new preemption attempts**

Engagement: NACo connects counties with peers, best practices and practical resources. Through NACo, members can learn from other county leaders, access timely data and examples, and participate in networks designed to support counties of all sizes, including:

- **Midsize County Caucus (MCC):** Join a network of hundreds of other leaders from counties with similar populations across the country facing many of the same opportunities and challenges.
- **State Policy Trends Research Hub:** Check out NACo's home for reports, databases and analyses of emerging legislation affecting counties, including property tax and land-use preemption
- **Public Health Leadership Academy:** Apply to attend HPLA, which equips county leaders to become public health champions and develop a local action plan for specific community health challenges
- **Opioid Solutions Center:** Access the one-stop hub to help counties make effective use of opioid settlement dollars

Solutions: NACo helps counties maximize every taxpayer dollar. Through NACo EDGE enterprise solutions, members can access tools and programs designed to reduce costs, improve operations and support the county workforce, including:

- **Public Promise Procurement (PPP)**: Reducing time and expense with vetted, single-award contracts for counties to use. Six new contracts have just launched, with a dozen more coming by year-end, covering disaster tools, office supplies, P-cards, recruiting, heavy equipment and more
- **Public Promise Insurance:** Lowering prescription costs for county governments and their employees by millions of dollars, helping employees tackle student debt and helping counties attract and retain talent
- **cashVest by three+one:** Helping generate more than $5 billion for local governments *of all sizes* in increased interest income and reduced bank fees

In addition to these member benefits, we encourage you to review the enclosed **county membership profile**. It highlights how your county *already* benefits from NACo membership and identifies additional opportunities to maximize the value of NACo's advocacy, solutions and engagement.

By renewing your NACo membership, your county continues to add its voice to the collective strength of counties nationwide. We look forward to working with you in 2027 to continue accomplishing our shared goals.

Please review the attached statement with your 2027 membership dues, which remain the same as 2026 dues. For additional information or to discuss how your county can maximize its NACo membership, please email membership@naco.org or call 202-661-8810.

Our team is ready to help your county make the most of its membership, and we hope to see you at one of our many events in 2027.

Sincerely,

Hon. Renee Couch
Chair, NACo Membership Standing Committee
Comal County, Texas

JOSEPHINE COUNTY, OREGON
Tree Planting Contract (2026PL-3)
YEAR 2026

1. CONTRACT PARTIES AND PURPOSE:

1.1 The parties to this contract are Josephine County, by and through its Forestry Department, hereinafter called COUNTY, and

Name: **Rogue River Forestry LLC**
Address: **1034 Pendleton Dr.**
Medford, OR 97501

hereinafter called CONTRACTOR. CONTRACTOR is a corporation licensed to do business in the State of Oregon.

1.2 The purpose of this contract is to secure the services of a CONTRACTOR who shall faithfully perform all of the terms, conditions, and specifications as contained in this contract.

2. TERM: This Contract shall commence upon the last date signed below, and shall continue until March 12, 2027, unless earlier terminated or amended as provided herein. Tree planting services under this contract will be completed between November 2, 2026 and March 12, 2027.

3. SERVICES:

3.1 CONTRACTOR shall provide the following:

A. PLANTING: CONTRACTOR will plant conifer seedlings, in Units #1 - #9, in the approximate amounts as follows:

UNIT #	COUNTY FOREST PROPERTY	Location T-R-Sec.	Planting Timing	Acres (approx.)	Seedlings Total (M) (approx.)
1	Greenback 1	33S-5W-33	Fall	82.0	24.6
2	Greenback 2	33S-5W-32	Fall	17.6	4.4
3	Granite	35S-5W-21	Fall	10.1	3.0
4	Benjamin Gulch E	34S-6W-36	Winter	25.6	11.1
5	Ridgetop 20	38S-7W-20	Winter	77.0	33.5
6	Red Jacket	35S-5W-34	Winter	110.5	48.0
7	TomEast	34S-7W-14	Winter	63.4	27.6
8	Pickett 10	35S-7W-32	Winter	13.2	5.7
9	Coffee Pot N	34S-7W-32	Winter	23.0	10.0
	TOTALS			422.4	173.5

The listed acreage and numbers of Seedlings are approximate. CONTRACTOR shall use directions and maps furnished by Josephine County Forestry Department. Individual project maps are attached hereto and incorporated herein as Exhibit D, *Planting Unit Descriptions and Maps.* All planting shall be done as prescribed in

Planting Specifications/Seedling Handling, Exhibit B, attached hereto and incorporated herein.

B. CONTRACTOR shall provide all transportation, supervision, labor and equipment including, but not limited to, tools, implements and protective clothing necessary to perform services under the Scope of Work herein, except where otherwise stated herein. CONTRACTOR shall provide the following:

1. Insulated tree trailer or tree truck for seedling and protective tube transport from tree cooler, which is located in Medford, Oregon, to the planting units.
2. All-terrain vehicle to shuttle planters, seedlings, and tubes to the planting units.
3. Planting shovels.
4. Root dipping water and dipping bucket.

C. **Licenses:** CONTRACTOR shall possess and keep current any licenses and certificates required by law for performing the services.

D. CONTRACTOR shall be currently registered with the U.S. Department of Labor as a farm labor contractor and shall comply with the provisions of the Migrant and Seasonal Agricultural Workers Protection Act (MSPA). CONTRACTOR shall supply a copy of the registration to COUNTY before any work may commence under this contract.

E. CONTRACTOR shall appoint an English-speaking representative to supervise the performance of all services under the terms of this CONTRACT, and to represent CONTRACTOR in discussions with COUNTY.

F. CONTRACTOR shall make every effort to avoid and prevent the outbreak of fire. In the event a fire does start, CONTRACTOR shall immediately notify COUNTY and all appropriate emergency services and CONTRACTOR shall make every effort to contain the fire and to prevent its spread.

3.2 COUNTY will provide the following:

A. Conifer seedlings for planting. **<u>COUNTY will not provide</u>** seedling transport to the planting unit sites.

B. B-Vitamin dipping water additive as needed.

4. INDEPENDENT CONTRACTOR: CONTRACTOR shall perform the services required by this Contract as an Independent Contractor. CONTRACTOR shall not be deemed an employee of COUNTY and shall not be entitled to any benefits from COUNTY that generally are granted by COUNTY to its employees, including but not limited to: vacation, holiday and sick leave, other leaves with pay, medical and dental coverage, life and disability insurance, overtime, social security, workers' compensation, unemployment compensation and retirement benefits. CONTRACTOR is not an agent of COUNTY and has no authority to act as agent for any purpose. CONTRACTOR shall be responsible for all federal or state taxes applicable to any compensation or payments paid to CONTRACTOR under this Contract.

5. PAYMENT:

5.1 Upon the completion of Contractor's services for all planting units, to the satisfaction of COUNTY, COUNTY shall make payment to CONTRACTOR based upon each unit's bid rate, as set forth in *Rates of Payment*, Exhibit E, attached hereto and incorporated herein**.** Planting payment shall be based upon bid price per thousand seedlings planted, measured planting quality, and the terms and conditions listed in Section 5 herein regarding planting quality and payment adjustment. CONTRACTOR may request payment upon completion of an individual unit, upon the same terms and conditions.

5.2 Payment Adjustment for Planting Quality:

A. Planting quality will be assessed by a COUNTY Representative using the audit guidelines as set forth in *Planting Audit Procedures,* Exhibit C, attached hereto and incorporated herein.

B. Planting quality will be scored as a percentage and calculated in the following manner:

Planting quality is equal to the total number of satisfactorily planted seedlings on a given number of sample plots divided by the total number of planted seedlings on the same number of sample plots multiplied by 100.

C. Planting quality will determine the percent of contract price paid: Payment will be based upon the following table.

Planting Quality	Percentage of Contract Price Paid
100.0 - 95.0%	100%
85.0.0 - 94.9%	Payment based on % quality
80.0 - 84.9%	Percent quality minus 2.5%

5.3 Payment Holdback: COUNTY will withhold five (5) percent from all money payable to CONTRACTOR hereunder to apply against any and all damages suffered or incurred by COUNTY on account of any default or breach by CONTRACTOR hereunder. The sums so withheld shall not constitute liquidated damages for any such breach or default, but only as a guarantee fund and to the extent thereof to apply against said damages suffered or incurred by COUNTY because of any breach or default by CONTRACTOR hereunder, but not to exceed, in such application, the actual amount of such damages, if any, and if the sum so withheld is not sufficient to fully cover such damages, then CONTRACTOR shall remain liable for the deficiency.

5.4 Low Planting Quality: If at any time planting quality falls below 85%, planting may be suspended for the day. The CONTRACTOR may be required to replant the low quality area at no additional cost to the COUNTY.

5.5 Stashed or hidden trees: If deliberately stashed or hidden trees are found by the COUNTY, planting operations will be suspended for the day. All stashed or hidden trees shall be counted as unsatisfactory planted trees when calculating the planting quality score. The COUNTY will assess CONTRACTOR a penalty of $25.00 per stashed/hidden tree. If stashed or

hidden trees are found a second time the COUNTY may consider this a breach of this planting contract.

5.6 Dropped Trees: COUNTY will assess CONTRACTOR a penalty of $5.00 per dropped tree.

6. INSPECTION:

6.1 COUNTY will inspect planted areas to verify compliance with contract specifications. Planting quality and verification of the correct number of seedlings planted will be assessed by a COUNTY Representative using the audit guidelines set forth in *Planting Audit Procedures*, Exhibit C, attached hereto and incorporated herein. Planting will be evaluated by establishing sample plots throughout each planted unit. The seedlings within each plot will be tallied and evaluated for planting quality and given a quality score based on the percentage of the total seedlings acceptably planted. For each planting unit, all completed individual plot scores will be averaged to determine a final score for payment.

6.2 COUNTY reserves the right to vary the number and size of inspection plots and may elect to conduct inspections at any time during the duration of the tree planting contract.

6.3 CONTRACTOR may be required, at no additional cost to the COUNTY, to re-plant areas that do not meet minimum quality specifications. Unless waived by COUNTY, all work found to be unsatisfactory must be reworked to COUNTY'S satisfaction before continuing services under this contract.

6.4 A COUNTY representative will be present during CONTRACTOR'S performance of services under this contract. The COUNTY representative may give direction to CONTRACTOR regarding any necessary adjustments in tree planting quality or other requirements to help ensure satisfactory results.

7. INDEMNIFICATION:

7.1 COUNTY has relied upon the professional ability, qualifications and training of CONTRACTOR as a material inducement to enter into this Contract. CONTRACTOR warrants that all of the services will be performed in accordance with generally accepted professional practices and standards and according to the requirements of applicable federal, state and local laws. The acceptance of CONTRACTOR's services by COUNTY shall not operate as a waiver or release of any claim.

7.2 CONTRACTOR shall defend, indemnify and hold harmless COUNTY, its officers, agents and employees, from any and all claims, liabilities, demands, damages, actions or proceedings arising from or relating to the negligence, wrongful acts, or omissions of CONTRACTOR in connection with the performance of any services under this Contract.

7.3 COUNTY shall defend, indemnify and hold harmless CONTRACTOR, its officers, agents and employees, from any and all claims, liabilities, demands, damages, actions or proceedings arising from or relating to the negligence, wrongful acts, or omissions of COUNTY in connection with the performance

of any services under this Contract.

7.4 CONTRACTOR shall not be deemed an agent of COUNTY under the Oregon Tort Claims Act.

8. INSURANCE: CONTRACTOR shall, at its own expense, provide and maintain insurance for the duration of this Contract as follows:

8.1 **Worker's Compensation Insurance:** CONTRACTOR shall obtain and maintain Workers Compensation Insurance as required by law.

8.2 **Automobile Liability Insurance:** CONTRACTOR shall obtain and maintain automobile liability insurance with limits of liability, per occurrence, of $1,000,000 for bodily injury and $2,000,000 for property damage.

8.3 **General Liability Insurance:** CONTRACTOR shall be required to provide and maintain general liability insurance against loss or damage to persons or property with a minimum limit of liability per occurrence of $2,000,000 for bodily injury and $2,000,000 for property damage.

8.4 All insurance policies must name Josephine County as an additionally named insured and must be through an insurance company licensed in the State of Oregon. The insurance policy shall provide that “Josephine County” shall include all authorities, boards, bureaus, commissions, divisions, departments, districts, and offices of Josephine County and the individual members, employees and agents thereof in their official capacities.

8.5 All insurance policies shall be evidenced by Certificates of Insurance which shall be delivered to COUNTY prior to commencing services or work under this Contract. Each certificate or policy shall require that, thirty (30) days prior to cancellation or material change in the policies, notice of cancellation or material change must be given to the COUNTY by certified mail, return receipt requested. All such notices shall name the CONTRACTOR and identify the contract number.

9. DEFAULT AND TERMINATION:

9.1 COUNTY, by written notice to CONTRACTOR, may cancel all or any part of this contract for CONTRACTORS’ failure to provide the services required by this contract within the times specified or for failure to comply with any other provision of this contract. In addition, COUNTY shall be entitled to any and all remedies available in law or equity.

9.2 This contract may be terminated by mutual consent of both parties or by COUNTY at its sole discretion. COUNTY may terminate work at any time with written notice to CONTRACTOR. Upon receipt of such notice, CONTRACTOR shall stop performance.

10. LIABILITY OF COUNTY: The COUNTY'S liability for monetary damages for breach of this Contract shall, in the aggregate, be limited to the payment amount of this Contract. In no event shall the COUNTY be liable to CONTRACTOR for any indirect, special or consequential damages, notwithstanding any notice of the possibility of such damages.

11. **FORCE MAJEURE:** Neither COUNTY nor CONTRACTOR shall be held responsible for delay or default caused by fires, riot, civil disobedience, acts of God, or war where such cause was beyond the control of either party. Both parties shall, however, make all reasonable efforts to remove or eliminate such a cause of delay or default and shall, upon the cessation of the cause, diligently pursue performance of its obligations under this Contract.

12. **THIRD PARTY BENEFICIARY:** COUNTY and CONTRACTOR are the only parties to this Contract and are the only parties entitled to enforce its terms. Nothing in this Contract gives any benefit or right, either directly or indirectly, to any third persons.

13. **GOVERNING LAW:** This Contract shall be governed by and construed in accordance with the laws of the State of Oregon. In the event litigation becomes necessary to enforce any term or condition of this CONTRACT, any such action shall be filed, brought and maintained in the Circuit Court of the State of Oregon for Josephine County; provided, however, that if the action must be brought in a federal forum, it shall be filed, brought and maintained in the United States District Court for the District of Oregon.

14. **COMPLIANCE WITH LAW:** COUNTY and CONTRACTOR shall comply with all applicable federal, state, and local laws, statutes, ordinances, rules, and regulations.

14.1 CONTRACTOR shall comply with all applicable State laws pertaining to fire prevention or closures including all special conditions as directed by the COUNTY. In the event of a woods closure, either from fire or any other general closure affecting the planting area, CONTRACTOR shall comply with all restrictions.

15. **ASSIGNMENT:** CONTRACTOR shall not assign CONTRACTOR's interest in this Contract or enter into subcontracts for any part of the services without the prior written consent of COUNTY.

16. **WAIVER:** No provision of this Contract shall be deemed waived unless such waiver is in writing and signed by the Party waiving its rights.

17. **SEVERABILITY:** If any provision of this Contract shall be invalid or unenforceable in any respect for any reason, the validity and enforceability of the remaining provisions of this Contract shall not be impaired.

18. **FURTHER ASSURANCES:** The parties agree to promptly execute and deliver any such further instruments and to perform any such further acts as may be required to carry out the intent and purpose of this Contract.

19. **NOTICES:** Any notice required by this Contract must be given in writing by personal delivery or by certified mail return receipt requested.

19.1 COUNTY's address for notices is:
Brian Bradac, Forester, Josephine County Forestry Department, 500 N.W. Sixth Street, Dept. 8, Grants Pass, OR 97526.

19.2 CONTRACTOR's address for notices is:
Rogue River Forestry LLC, 1034 Pendleton Dr. Medford, OR 97501

20. AMENDMENT OF CONTRACT: This Contract may be amended or modified only when reduced to writing and signed by both parties.

21. ENTIRE CONTRACT: This Contract constitutes the entire agreement between the parties. There are no promises, agreements, conditions or understandings, either oral or written, between the parties other than those set forth in this Contract.

	TOTALS			422.4	173.5	

PLEASE NOTE:
The listed acreage and numbers of Seedlings are approximate. See Planting Unit individual project maps attached as Exhibit "D" to the Tree Planting Contract, attached hereto as Appendix A.

III. SCOPE OF WORK:

A. The successful **bidder** who is awarded a planting contract with the County **will provide** the following:

1. PLANTING LABOR (For Planting Unit projects #1 - #9):
Planting will be done according to the "Planting Specifications" found in Exhibit "B" of the Tree Planting Contract (Appendix A). Planting will consist of locating an acceptable planting spot at the required spacing and correctly planting each seedling. Contractor will be required to maintain an acceptable daily planting quality score which will include both above ground and underground planting quality. (See "Planting Quality and Payment Adjustment" in the Tree Planting Contract, Appendix A). Planters must use shovels to plant all seedlings.

2. All transportation, supervision, labor and equipment including, but not limited to, tools, implements and protective clothing necessary to perform services under the Scope of Work herein, except where otherwise stated herein. The successful bidder shall provide the following:

   a. Insulated tree trailer or tree truck for seedling transport from tree cooler, which is located in Medford, Oregon, to the planting units.
   b. All-terrain vehicle to shuttle planters and seedlings to the planting units.
   c. Planting shovels.
   d. Root dipping water and dipping bucket.

3. Possess and keep current any licenses and certificates required by law for performing the services under the Scope of Work herein, including current registration with the U.S. Department of Labor as a Farm Labor contractor.

4. Comply with the provisions of the Migrant and Seasonal Agricultural Workers Protection Act (MSPA).

5. Workers Compensation Insurance as required by law;
General Liability Insurance against loss or damage to persons or property with a minimum limit of liability per occurrence of $2,000,000 for bodily injury and $2,000,000 for property damage; and
Automobile Insurance with limits of liability, per occurrence, of $1,000,000 for bodily injury and $2,000,000 for property damage, as further defined in the Tree Planting Contract (Appendix A).

B. **Josephine County will provide** the following:

1. Conifer seedlings for planting. **COUNTY will not provide** seedling transport to the planting unit sites.

2. B-Vitamin dipping water additive as needed.

C. **PROJECT TIMELINE:** Josephine County anticipates work to begin after November 2, 2026 for fall plant units and start after January 18, 2027 with completion anticipated by March 12, 2027 for all winter plant units, with a minimum 1 crew foreman per 8 planters(minimum) - 12 planters(maximum) per crew. The County reserves the right to change the start or completion dates to accommodate seedling availability or weather conditions.

IV. GENERAL INSTRUCTIONS FOR SUBMISSION OF BID

A. All bids shall be in writing on the Bid Response Form attached.

B. **Submittals: All bids must be submitted no later than October 15, 2026, at 4:00 O'CLOCK P.M., at the following address:**

Brian Bradac
Josephine County Forestry
(mailing) 500 N.W. Sixth Street, Dept. 8
Grants Pass, OR 97526
(office) 125 Ringuette Street
Grants Pass, OR 97527
Telephone: (541) 474-5291
Fax: (541) 474-5295
Cell: (541) 218-7030
E-mail: bbradac@josephinecounty.gov

The County does not recognize the U.S. Postal Service, or any other organization as its agent for purposes of accepting bids. Any bid received after the designated date and time will be returned unopened.

All bids are required to be submitted in a sealed envelope not to be opened until 4:05 o'clock P.M., October 15, 2026, or by facsimile transmission, or by e-mail transmission. Bids submitted by facsimile or e-mail will be accepted only if received by October 15, 2026, at 4:00 o'clock P.M. Award decisions will be made at the bid opening. Submissions shall become the property of Josephine County, Oregon, without obligation. Submissions shall be considered firm, binding, and irrevocable.

**All bids regardless of submission method will be kept confidential prior to opening on the aforementioned date and time.*

V. CRITERIA FOR AWARD and CONTRACT

A. **Criteria for Award:** Subject to the provisions of the solicitation requirements, a contract will be awarded to a qualified bidder based on the following considerations;

- Past performance in regard to quality while working for the County or by supplied references
- Ability to complete the project within the time frame specified in this solicitation (see project timeline)
- Price

The acceptance of a bid from among those submitted is contingent upon the

anticipated cost to the County.

B. **Contract:** The successful Bidder will be expected to enter into a contract with the County in substantially the form attached as Appendix A to this Solicitation document.

VI. RESERVATION OF RIGHTS

Josephine County reserves the right to negotiate with and/or award a contract to other bidders that are sequentially ranked by Josephine County Forestry, in the event that the County is unable to negotiate a contract with the selected bidder.

Josephine County reserves the right to (a) amend this solicitation; (b) to extend the deadline for submitting bids; (c) to waive minor irregularities, informalities, or failures to conform to the solicitation, if the County determines that such waiver is in the best interest of the County, (d) to award one or more contracts, by item or task, or groups of items or tasks, if so provided in this solicitation and if multiple awards are determined by Josephine County to be in the public interest; and (e) to reject, for good cause and without liability therefore, any and all Bids and to cancel this solicitation at any time if such cancellation is deemed appropriate.

Due to limited resources, the County will not completely review or analyze bids which on their face fail to comply with the requirements of this solicitation or which clearly are not the best bids or are considered to be non-competitive. Therefore, neither the return of a bid, nor acknowledgment that the selection is complete, shall operate as a representation by the County that an unsuccessful bid was or was not complete, sufficient, or lawful in any respect.

EXHIBIT B

Planting Specifications

(1) Acceptable Planting Spot: A spot where the mineral soil is at least 12 inches in depth.

(2) Unacceptable Planting Spot: A spot where there is little or no mineral soil. (i.e., > 12" duff, ground in slash, > 12" burn pile ash, rocky ravel with very little soil) Seedlings will not be planted in organic matter, in areas of persistent standing water, in glades, on top of mounded soil, or above a cavity such as a burned out root system.

(3) Seedlings will be firmly planted into mineral soil to provide a sturdy base for the tree and promote good root contact with the soil. Loose or high trees are unacceptable. Planted seedlings will show no displacement when given a firm pull.

(4) Seedling stem and roots system are to be planted in a vertical upright position. No slip planting. Roots will be planted straight and firmly packed in soil. Roots will not be "Balled up" or "J-rooted".

(5) Seedling root systems are to be planted in a near natural configuration. The planting hole must be wide and deep enough to ensure full distribution of the root system within the soil.

(6) Container seedlings will be planted 1-1½ inches deeper than the container soil level. Bareroot seedlings will be planted 1 inch deeper than nursery root collar.

(7) Spacing 10' x 10', or as *otherwise specified, will be carefully adhered to. Planters will space off natural and previously planted conifer between 1 and 6 feet in height, the assigned spacing distance (i.e., 10' if assigned 10' x 10' spacing). Planters will space off natural conifer over 6 feet in height so that the seedling is planted beyond the drip line and at least 12 feet from the main stem of that natural conifer. When planting in small openings bordered by taller natural conifer, planters will need "open space" between the drip lines of those bordering trees in order to plant a seedling.

(8) Roads: Road fill spacing will be 6' horizontal distance below the edge of the road running surface. There will be no planting of any road cuts.

(9) Draws: Any draw that shows scour from running water will need a spacing of 6 feet from the high water mark before planting a seedling.

(10) Microsite planting behind logs, stumps, etc. is encouraged.

(11) Every planting spot shall be prepared with a scalp removing all slash, duff, red rot, ash, rocky ravel, grass and weeds will be scalped cleanly in a 12"x12" square area before planting a seedling in the center of the scalp. Ravel, red rot and ash may need to be scalped to a depth of 12 inches before mineral soil is reached and a seedling can be planted.

(12) Benching of sufficient size will be constructed on steeper ground to keep seedling stems vertical and planted in such a manner to prevent seedling stem contact with the soil surface behind. (Usually on slopes in excess of 50%)

(13) Planting is to be completed with a planting shovel capable of making a planting hole with a minimum depth of 12 inches. All units require shovel planting regardless of seedling stock type.

(14) Slash and Heavy Vegetation -- The distribution of planting spots in areas typified by heavy slash and vegetation is extremely variable. Planters are required to make the effort necessary to take advantage of all suitable planting spots. Assigned spacing is to be maintained where ever possible.

*The Following planting areas will have a specified spacing of 12' X 12': None

Seedling Handling

(1) The Contractor will be responsible for transporting seedlings to the planting site and distributing seedlings within the planting site. All terrain vehicles may be required in some areas with unimproved roads. All seedlings shall be kept cool during transport and during storage at the planting site. Planters will shade their bagged up seedlings while on break.

(2) A single seedling will be removed from the planting bag after the planting hole has been prepared. Planters will not hand carry seedlings from one planting spot to another or to another planter.

(3) All bareroot seedlings will be dipped in a B vitamin and water solution before bagging up to help maintain root moisture and reduce planting shock. Contractor will provide the water for dipping. The County will furnish the B vitamin additive.

(4) No more seedlings than can reasonably be planted for the day are to be removed from the storage cooler. Unplanted seedlings will be returned to cooler storage by the Contractor at the end of the day.

(5) The following conditions will be considered unacceptable: a) Any rough handling of a tree bag or box. (Example throwing bags out of truck) b) Thrashing of a seedlings root system for any reason. c) Tearing or pruning of seedling root system.

Additional Requirements

(1) There must be a concerted effort by planters to push planting from bare soil areas into areas of brush, slash and duff within the planting unit.

(2) Contractor should keep an accurate daily planting record. Records should include date, planting unit location and the number of seedlings planted from each seedlot. Contractor's daily records and planting inspector daily records should be checked for agreement at the end of each day.

(3) Empty container seedling boxes and paper bags will either be burned (when weather conditions permit) or, returned, and neatly stacked at the cold storage or other agreed upon location. Empty tree bags (when weather conditions permit) or removed from the site. **All empty plastic tree bags and banding at the planting site must be removed and disposed of properly (No plastic or trash is to be burned on site).**

EXHIBIT C

Planting Audit Procedures

Josephine County is responsible for providing a timely and valid audit of the Contractor's performance. All Audits will be completed by a County forester or by a trained County representative.

(1) Audit will include sampling seedling spacing and planting quality.
(2) Sampling unit size: 1/100th acre circular plots.
(3) Plot Intensity: At least 1 Plot/Acre in units less than 40 Acres. At least 1 Plot/2 Acres in units greater than 40 Acres.
(4) At least 50% of the trees on each plot will be evaluated for underground planting quality.

The following data will be recorded on each plot and will be used to determine planting quality.

- Number of planting spots
- Total number of planted seedlings
- Number of seedlings which meet quality and spacing standards
- Number of missed planting spots
- Number of dropped seedlings

Unsatisfactorily planted seedlings will be classified into the following categories:

- Loose
- J-Roots
- Balled Roots
- Not Planted in Mineral Soil
- Shallow Root System
- Deep Planted
- Planter Damage
- Stem Not Erect or Vertical
- Poor or no Scalp
- Tree not planted in middle of scalp
- No bench on trees planted on slope > 50%
- Planted in Shallow Soil (<12" Soil Depth)
- Excess Tree
- Missed planting spot

Plot Card Calculations: (Example for 1/100th Acre Plot)

Total Trees Planted/Acre = $\frac{\text{Total Planted}}{\text{\# of Plots}}$ X 100

Natural Trees/Acre = $\frac{\text{Total Naturals}}{\text{\# of Plots}}$ X 100

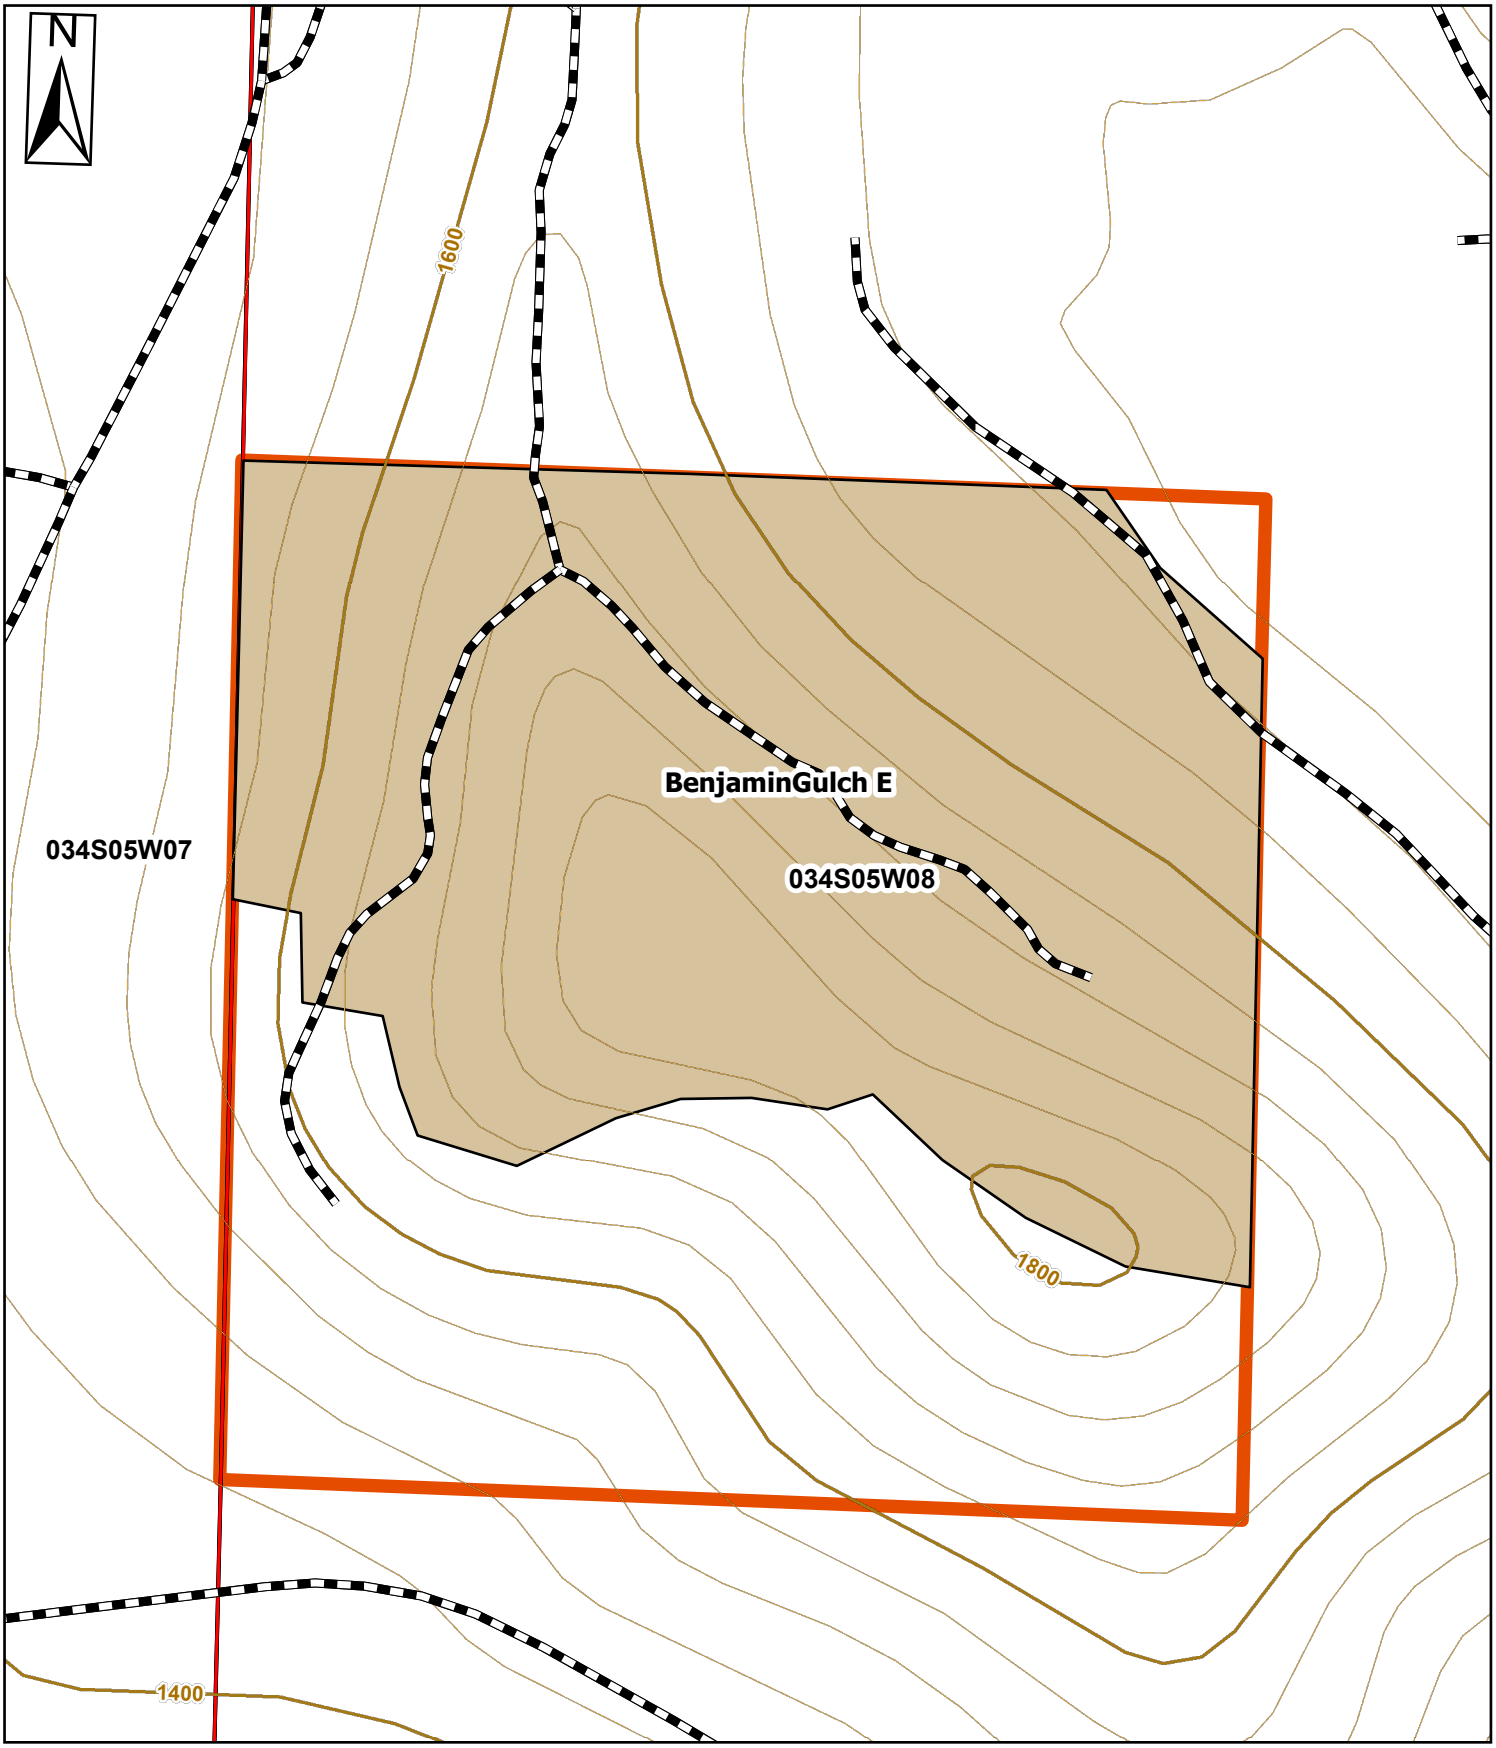

% of Planted Spots = $\frac{\text{Total Planted}}{\text{Total Plantable Spots}}$ X 100

% Satisfactorily Planted Trees = $\frac{\text{\# Satis. Planted}}{\text{Total Planted}}$ X 100

Planting quality will be based on the following formula: $\frac{\text{\# Satis. Planted}}{\text{Total Planted}}$ X 100

If a satisfactorily planted seedling is classified as an excess tree, and other unsatisfactorily planted seedlings are observed on the plot, then one of the unsatisfactorily planted seedlings should be deemed the excess tree.

Rates of Payment

TREE PLANTING:

Rate of payment will be the bid price per contracted planting unit minus any percentage deductions found during the planting auditing process. The cost to the CONTRACTOR for use of an all-terrain vehicle to shuttle planters and seedlings into the area to be planted will be included in the payment rate.

JOSEPHINE COUNTY SHERIFF'S OFFICE

Report & Recommendation

TO: Board of County Commissioners

FROM: Sheriff Daniel

RE: Purchase of 5 Tahoe's for Sheriff's Office

DATE: 10/20/2026

Josephine County Sheriff requests authorization to purchase five (5) Tahoe's as part of its approved budget to hire on 5 additional deputies.

The Equipment Acquisition List, and funds have been allocated and are available for this fiscal year.

Monies for this purchase have been approved in the 2026-27 fiscal budget.

Justification: Purchase of 5 Tahoe's

The Sheriff's Office budget included additional patrol deputy positions. We have been filling some of those positions and are ready to purchase 5 vehicles out of the Sheriff's Equipment Reserve Fund. The deputies will be coming out of Academy and will need vehicles.

Procurement Method

These vehicles will be ordered under Oregon Buys government contract #PO-107-00012917. The initial five 2026 Tahoe's will be $57,529.88 each, with a total expenditure of $287,649.40. The cost of upfitting will be $130,000.

Recommendation

I recommend the Board approve this purchase to support essential patrol activities, maintain fleet reliability, and ensure the continued efficient operation of the Sheriff's Office.

JOSEPHINE COUNTY SHERIFF'S OFFICE

Report & Recommendation

TO: Board of County Commissioners

FROM: Sheriff Daniel

RE: Fund 26 Animal Control Budget

DATE: 10/20/2026

The 26-27FY Animal Control Division budget includes personnel costs of $388,800. In August, the Sheriff's Association Collective Bargaining Agreement was approved which included a 10% COLA. The current approved personnel budget cannot absorb the 10% increase which was mentioned to the Board in July. The additional personnel cost is $10,100.

The 26-27FY Animal Control Division budget also includes vehicle expense of $55,100. The maintenance, depreciation and fuel rates are set by fleet. At the time the budget was prepared the rate used for fuel was $3.50 per gallon. The average cost per gallon we have paid from July through September has been $4.38 per gallon. Additionally, based on the previous year's mileage we budgeted about 4500 miles per month, however the actual average has been 6100 miles. If fuel costs continue to be over $3.50 per gallon and the miles driven remain the same the vehicle expense will exceed the budgeted amount of $55,100.

Fund 26, which is shared between the Animal Shelter and Animal Control was budgeted to have a contingency balance of $123,200

Recommendation

I recommend the Board approve increasing the personnel budget by $10,100 for a total of $398,900 and increase the vehicle expense budget by $17,300 for a total of $72,400. The increase can be covered by the contingency balance.

Attachment A — Key figure definitions

Standing attachment. The department proposes its five figures with its first report. Definitions change only by Board action and are footnoted for one year after a change. Where a figure cannot yet be produced, record the source that will produce it and the period it begins.

Key figure	Definition and formula	Source system and report	First reported (period)	Change history (date; Board action)

Department: _____ Attachment A version: _____ Approved by Board action: _____

Proposal: The 90-Day Airport Lease Modernization Program

1. Requested Board action

Commissioner Richardson requests that the Board direct the Department of Airports to implement the 90-Day Airport Lease Modernization Program on the schedule in Section 4; adopt the Section 4 milestones as Board deadlines; require a written progress report at each regular Board meeting until completion; designate Commissioner Richardson to oversee implementation on the Board's behalf; and affirm that the Commissioners' office will provide additional resources as appropriate. Suggested motion language is in Section 9.

2. Background

Josephine County operates the Grants Pass Airport (3S8) and the Illinois Valley Airport (3S4) as enterprise activities funded by airport revenue, not general tax dollars. The airports hold more than 150 ground and hangar leases. A record-by-record review completed in October 2026, cross-checking the County's lease software against County rate files and executed lease documents, found 42 leases whose written terms expired as far back as 2014; 133 leases without a current insurance certificate; 133 overdue cost-of-living rent reviews dating to October 2025; hangars bought and sold over the years without assignments or updated leases; 33 placeholder commencement dates; and several direct conflicts between County systems. Current collections are approximately $562,000 per year.

These conditions accumulated over roughly a decade and have been documented for the department. Routine departmental processes have not cleared the backlog. The purpose of this proposal is to convert the work from an open-ended task into a defined program with Board-adopted deadlines, public reporting, and direct Board oversight. Two recent leases, a January 2026 commercial ground lease that recovered three years of back rent and an October 2026 commercial ground lease signed at rates above the validated market average, demonstrate that the County's standard documents and rate methodology work when applied.

3. Why 90 days is realistic

The Board may hear that a backlog a decade in the making requires years to resolve, or that airport operations leave no time for it. Neither holds on examination:

- **The preparation is finished.** The lease-by-lease inventory, priority tiers, target dates, verification packets, and mail-merge files are already built from County records. What remains is execution.
- **The work is batchable.** Nearly all 154 leases take one of four counsel-approved forms, processed in batches. Only a handful of commercial renewals require individual negotiation, and each has its own track and deadline.
- **Tenants do the research.** The verification form asks each leaseholder to confirm or correct the County's record and supply insurance; 153 of 154 are reachable by email today.
- **The timing fits operations.** November through January is the airports' slowest season. The program is deliberately scheduled for winter so it does not compete with summer flying activity.
- **Delay has a price.** Lost revenue for every month the work remains undone.

The decade explains how the backlog accumulated. It does not govern how quickly the backlog can be cleared.

4. Milestones and schedule

Milestone	Due	Measure
County Counsel approval of the four standard documents (ground lease, assignment, renewal amendment, verification form)	October 31, 2026	Documents finalized
Known record corrections and missing rent schedules entered in the lease system	November 6, 2026	Corrections complete
Verification packets emailed and mailed to all 154 leaseholders; overdue CPI notices issued with the same mailing	November 6, 2026	Packets out the door
Tenant responses due (30 days)	December 2, 2026	70 percent returned
Tier 1 complete: record conflicts, leases with no rent on record, and expired commercial renewals underway	December 11, 2026	All 17 Tier 1 items
Tier 2 complete: unrecorded transfers, entity changes, and the oldest expired leases	January 10, 2027	All 19 Tier 2 items
Day-90 program report to the Board; Tier 3 substantially complete	January 25, 2027	Written report
Remaining items closed; transfer policy, updated Rates and Charges Policy, and 2026-27 fee schedule docketed	Within 120 days	Policies before the Board

5. Oversight and reporting

- A written progress report from the Airports Manager at each regular Board meeting, consisting of five numbers from the program dashboard: packets sent, responses received, documents signed, leases recorded current in the system, and insurance certificates on file.
- Weekly implementation review between Commissioner [COMMISSIONER NAME] and the Airports Manager.
- Any missed milestone requires a written statement of cause and a recovery plan at the next regular meeting.
- The lease remediation tracker (Attachment C) is the single source of record for program status.

6. Fiscal impact

- **Costs.** No new ongoing costs. The program runs primarily on existing staff, standardized documents, and lease-management software the County already owns. The Commissioners' office will provide additional resources as appropriate to complete the one-time catch-up.
- **Revenue.** Executing the overdue CPI reviews restores approximately $19,700 per year under existing leases and adopted policy. A 2026 study of twelve comparable Oregon airports identifies a further path to approximately $96,000 per year as expired commercial ground leases renew at current adopted rates. All revenue remains in the airport enterprise fund.
- **Grant protection.** Accurate records and consistently applied rates support compliance with FAA grant assurances, including self-sustainability and nondiscriminatory rates, protecting eligibility for federal runway and safety grants.

7. Legal and policy considerations

County Counsel approves the four form documents before any mailing. Private hangar ground rates at the Grants Pass Airport already average above the validated peer market, so the program applies existing policy rather than broad increases. Follow-on items returning to the Board within 120 days: a transfer and assignment policy requiring County consent and a current lease before any hangar sale closes; an updated Rates and

Charges Policy reflecting the 2026 market study; and the 2026-2027 fee schedule, including rates for hangar rows not on the current published schedule.

8. Alternatives

- **A.** Adopt the directive as presented (recommended).
- **B.** Adopt with modified milestones or reporting frequency.
- **C.** Leave scheduling to departmental discretion. The October review found items outstanding since 2014 under that approach; the identified revenue and the uninsured exposure would continue to accrue at a measurable monthly cost.

9. Recommendation and suggested motion

Commissioner [COMMISSIONER NAME] recommends Alternative A. Suggested motion:

> *"I move that the Board of County Commissioners direct the Department of Airports to implement the 90-Day Airport Lease Modernization Program as presented; adopt the milestones in Section 4 of the proposal as Board deadlines; require a written progress report from the Airports Manager at each regular Board meeting until the program is complete; designate Commissioner Richardson to oversee implementation on the Board's behalf; affirm that the Board of County Commissioners' office will provide additional resources as appropriate to support this one-time effort; and direct staff to return to the Board within 120 days with a proposed transfer and assignment policy, an updated Rates and Charges Policy, and the 2026-2027 airport fee schedule."*
