**JOSEPHINE COUNTY  
ECONOMIC DEVELOPMENT GRANT ADVISORY COMMITTEE  
BY-LAWS**

**ARTICLE I – NAME AND PURPOSE**

**Section 1 – Name:** The name of this organization shall be the Josephine County Economic Development Grant Advisory Committee (JCEDGAC).

**Section 2 – Purpose:** The purpose of the JCEDGAC is to advise and make recommendations to the Josephine County Board of Commissioners (BCC) on matters pertaining to awarding Josephine County Economic Development Grants. Grants may support private-sector economic development projects as well as public infrastructure projects that enable new or expanded economic development, including projects proposed by Josephine County departments, that demonstrate a positive economic impact to Josephine County. Grant funds are not a substitute for a department's ordinary maintenance, repair or capital-replacement obligations. The JCEDGAC shall comply with Josephine County Administrative Policies and Procedures, Policy A-7, Advisory Bodies (Board, Commissioners, Committees, Sub-Committees).

**ARTICLE II – COMMITTEE ROLE AND RESPONSIBILITIES**

**Section 1 – JCEDGAC Role and Responsibilities:** The JCEDGAC will perform the following:

- A. Review and make recommendations for funding submitted applications from all eligible applicants, including businesses, non-profit organizations, Josephine County departments and other entities.
- B. Evaluate each application on the basis of its overall economic impact to Josephine County, as described in Section 2 of this Article.

**Section 2 – Evaluation of Economic Impact:** Applications shall be evaluated on demonstrated economic impact to Josephine County. Job creation and job retention are relevant factors, but neither shall be required for an application to receive a favorable recommendation. Economic impact may be demonstrated by anyone, or a combination of the following, without limitation:

- A. Jobs created or jobs retained;
- B. Construction or extension of development-enabling infrastructure – new infrastructure, or new service or capacity, that opens specific sites or areas for new or expanded economic activity, such as extending water, sewer, roads, broadband or other utilities to serve a business park, airport development area or industrial or commercial site;
- C. Increased commerce, tourism or other economic activity;
- D. Expanded services or capacity that support businesses, the workforce or residents of the County;
- E. Leveraging of additional federal, state, local or private investment; and
- F. Other measurable economic or public benefits to the county.

The JCEDGAC may use a scoring rubric approved by the BCC to evaluate and compare applications under this Article.

## EXHIBIT 1

**Section 3 – Infrastructure Eligibility:** An infrastructure project, including one proposed by a County department, is eligible only if it creates, extends or expands infrastructure service or capacity that directly enables identifiable new or expanded economic development – for example, extending sewer or water service to open a business park or airport development area. Maintenance, repair, replacement or rehabilitation of existing infrastructure and projects whose primary purpose is to restore or sustain existing services levels – for example, repairing an existing sewage treatment plant – are not eligible for grants funds and remain the responsibility of the applicable department's ordinary operating or capital budget.

**Section 4 – Advisory Committee:** The JCEDGAC shall be advisory in nature only and shall have no responsibility or authority over any public employee of the County.

**Section 5 – Additional Tasks:** The JCEDGAC will review applications, budgets and project proposals as requested by the BCC or the Josephine County Finance Director.

### ARTICLE III – MEMBERSHIP

**Section 1 – Committee Composition:** The JCEDGAC shall consist of five (5) members, who shall be appointed by the BCC and serve at the pleasure of the BCC.

Appointments to fill vacant positions shall be for the remainder of the term of said vacant positions.

**Section 4 – Term of Membership:** All JCEDGAC members shall serve a one-year term and are eligible for re-appointment by the BCC. Appointments shall be limited to two (2) consecutive terms.

**Section 5 – Officers:** Members of the advisory committee shall elect a chairperson and a vice-chairperson, who will serve a term of one calendar year or until a successor is elected. The officers of the Committee shall be a Chair and a Vice Chair. The officers shall be elected at the first meeting of the JCEDGAC and shall take office immediately. The Chair shall preside at all meetings and shall perform those functions usually associated with the office and shall be able to make, second and vote on all motions. **Section 6 – Resignation, Termination and Absences:** Resignation from the JCEDGAC must be in writing and received by the BCC. Upon the recommendation of the Josephine County Finance Director, a Committee member may be terminated from the JCEDGAC by the BCC due to (1) excess absences, if that member has more than two (2) unexcused absences from Committee meetings in one year, and (2) conflict of interest.

**Section 7 – Conflict of Interest:** Members shall comply with Oregon Government Ethics Law. As soon as a member becomes aware of an actual or potential conflict of interest concerning an application or other matter before the Committee, the member shall publicly disclose the nature of the conflict.

A member with an actual or potential conflict of interest shall not participate in the review, discussion, scoring, recommendation or vote concerning that application or matter. The members' disclosure and recusal shall be recorded in the meeting minutes. A recused member shall not be counted as participating in the matter for purposes of voting.

**Section 3 – Quorum:** Most of the filled positions then appointed to the committee will constitute a quorum for the purposes of conducting business and making decisions.

**Section 4 – Conduct of Meetings:** The Josephine County Finance Director shall convene regularly scheduled meetings and shall control the conduct of the meetings. The Finance Director shall represent the JCEDGAC at meetings and communication with the BCC.

## INSURANCE COVERAGE AND RESPONSIBILITIES OF VOLUNTEERS

**All volunteers will be provided a copy of their responsibilities.**

Josephine County provides volunteers with certain insurance coverage as described below. Please read the following and sign below. If you have any questions, please ask your manager, supervisor, or Human Resources office.

**General Insurance Coverage:** Under certain circumstances, Josephine County will provide you with insurance coverage for bodily injury or property damage. This coverage is only available when:

1. Your actions are limited to only those duties assigned to you in your job description, or assigned to you by an authorized manager or supervisor; *and*
2. You perform your assigned duties reasonably and in good faith, and you do not act in a manner that is reckless, or with intent to cause harm.

The limits of this insurance coverage are provided in the Oregon Tort Claims Act, ORS 30.260 through 30.300.

**Worker's Compensation Coverage:** County elects to provide Worker's Compensation coverage for volunteers of the Sheriff's Office Reserves and Search & Rescue.

**Accident Insurance Coverage:** The County also provides coverage for accidents sustained while performing services as a Registered Volunteer. This coverage is only available when the injury occurs as the result of an accident which happens while performing assigned volunteer duties. This coverage is secondary insurance; it will pay \$5,000 for accidental death or disability and for eligible medical expenses up to \$25,000 only after any other available insurance is applied toward the medical bill.

**Automobile Insurance Coverage:** County-Owned Vehicles: Under certain circumstances, if you have an accident while you are driving a County-owned vehicle to perform assigned duties, the County will pay and defend claims against you for bodily injury or property damage. The County will also pay for any damage to the County vehicle.

**Personal Vehicles:** Under certain circumstances, if you have an accident while you are driving your personal vehicle (or All Terrain Vehicle- ATV, specialty vehicle, aircraft, or other vehicle) to perform assigned duties, the County will pay and defend claims against you for bodily injury or property damage to others. ***The County, however, shall not provide any insurance coverage for damages to your vehicle.*** Payment of any claims by the County is secondary to your personal automobile insurance.

Any coverage for accidents while driving County-Owned vehicles or Personal vehicles is only available when:

1. You are driving as part of those duties assigned to you in your job description, or assigned to you by an authorized manager or supervisor; *and*
2. You drive in a reasonable, cautious, and prudent manner, and follow all applicable laws, with due regard for safety; *and*
3. You immediately report the accident to your manager or supervisor; *and*
4. You cooperate fully with County Risk Management and Legal Counsel.

The limits of this insurance coverage provided in the Oregon Tort Claims Act, ORS 30.260 through 30.300.

**Limitations:** Josephine County will NOT provide you with insurance coverage, and you may be personally responsible for any bodily injury, property damage, or damage to a vehicle if:

1. Your actions are contrary to or not part of those duties assigned to you in your job description or by an authorized manager or supervisor; or
2. You act recklessly, maliciously, with the intent to cause damage or injury, or
3. You are accused of a crime; or
4. You fail to cooperate with the Risk Management Office or County Legal Counsel, or you act in a manner that is against the County's interests.

## ACKNOWLEDGMENT

*I am a retired US Forest Service employee (42 years). I currently am on the Josephine County Forestry Advisory Committee. I have both a Bachelors and Master's degree in Forest and Watershed Management and am knowledgeable about Federal Land Management practices and procedures. I was a certified silviculturist with the US Forest Service for over 25 years. I own a private mineral property and have a number of active mining claims with the BLM. I am the Treasurer for Our Savior Evangelical Lutheran church and have served for over 20 years. Over 6 years ago, I submitted a volunteer application to the County in a number of resource areas including forestry, minerals and cadastral work. I have written numerous appeals protesting mineral and forest management withdrawals within Josephine County and continue to advocate for responsible forestry and mineral development. I have personally investigated over 100 mineral properties within Josephine County (out of the 500-1000 that are known). I am the owner of the manufacturing rights to a 5x 7" prospecting jaw crusher (hard rock ores) and am in the process of building them for sale to public.*

*I have a multitude of interests and skills: forestry, mineral prospecting; real estate development, cadastral lines and corners location and re-establishment, home remodelling, rental real estate investment, etc. For years I have been locating and documenting Josephine County survey corners (volunteer) and providing this information to the JOCO surveyor's office.*
